Dear Eliot,

I enclose copies of the runaround we've been getting. I fear that without committing ourselves to large sums of money we have no course of action. At least I think we have scared them off.

I am sending Mrs Welshmer a note.

Cordially,

Timothy Seldes

Dear Ms. Swados:

I am in receipt of your letter which refers to the alleged use of some pictures for one of our fabrics.

I would appreciate your giving me some additional information regarding this material since I am totally unfamiliar with your request.

Please send me a copy of the fabric in question, and I will look into it.

Very truly yours,

Dear Ms. Swados:

Mr. Jerry Iason is out of town for a few weeks so your letter of May 4th addressed to him has been brought to the attention of the writer.

The sample that you enclosed comes from a fabric which was bought along with a number of other fabrics as a closeout job lot. We did not run the fabric, did not have it before this one purchase, and have not had it since. We have no goods remaining of it so cannot supply you a sample as requested.

Very truly yours,

Mortimer L. Simon
