Dear Eliot:

I'll await the extra pictures and will pass on all suitable words to Walker. I enclose here a document from Duttons which you may understand but I don't--at any rate it says charge to royalty account so don't pay anything.

I talked to Les Line at Audubon who's upping the fee for the picture to \$250--but he says Nix on cpr. assigns, that he has gone into this matter and with photos it is irrelevant since nobody can do anything in the way of copying without having the original photo so all it does is to make paper work for no reason. He may have a point

yours
