Dear Eliot:

I've been investigating photo charges and have got hold of a recommended rate schedule which runs as follows for brochures—~~###~~ for color photos used on cover of brochure \$150 to \$300, used inside brochure \$125 to \$200. For black and white photos the rates respectively are \$100 to \$150 and \$50 to \$100.

I wouldn't think the top prices could be asked for a printing as small as 25,000 but probably something over the lowest ought to be asked, after you have found where they intend to use.

I've drawn up a contract for Grant and have sent off to Sierra to sign, since they control

yours
