Dear Eliot:

How complicated your affairs are. So let me try to sort this out with some numbered inquiries

(1) Has Mr. Grant any right to suppose you gave him permission. He seems to have gone ahead with the film

(2) If Adirondack has given him permission then this part of the ~~contact~~ should be cut out—I wonder have they for the letter you received only gave permission for the use of one picture. I queried them about this and have had no answer

(3) Sierra has given me the right to deal but have laid down certain conditions which Mr. Grant may meet or not—do you think these are reasonable, thinking as a Sierra director.

I enclose all the letters which return with the necessary comments and then I can draft something for Mr. Grant

yours

Diarmuid
