Dear Ben,

How great to get a story into Harvard Magazine. I want to read it! The transparency of the blue Christ has not even been glimpsed by me. As far as I know, it is not 35 mm. Maybe it is in the neighborhood of the 7 Virgins of which you made your Xmas card of 1957? Hope you find it.

I don't object to your publishing it outside the Iffi. If you had a chance to bring up the Iffi, of which this Photo was the inspiration, it might be very advantageous for the Sander-Iffi progress.

I have been slightly unwell since Xmas so I shall close this.

Imagine, Goggi will come on Jan. 31 for 2 weeks. I am very glad.

Is Alice better? I am so sorry that she suffers. Greet her!

Much love Ellen
B
