Dearest Bu,

Today I can only write a short note, as I am in the throes of, Reisevorbereitung. You have spoiled me very much! Not only with the Roma card but with that lovely new book. I cannot throw my critical no veil eye on it at this moment but from what I saw, I am not sure I ever have to. I am overcome by the variety of places you have taken pictures in.

When have you ever time? Or can you be in several states and Countries at the same time? I am very happy to have the book and will write you more next year! Thank you!!
Again the best wishes and Happy New Year.
Much love B
