Dearest Ben,
Just to say hello and how are you?
I have lost track long ago, where
you might be. The other day M. Heiting
told me, that you will exhibit in Köln
and be awarded some German Honor!
Das ist ja grossartig! Ich gratuliere!!
I am writing an introduction to Peterhaus'
work (in the catalogue) for the exhibition
The world is getting very violent. I
have, of course, extra worries because
of Goggi and his family.
Otherwise I do the same as always.
The Institute still hangs on. A tendonitis
on the right hand makes it painful to
write or type. So I close with 1000
good wishes and lots of love
How is Aline?
B
