Dear Ben,

I read with great interest Jonathan's fascinating text. At the same time studying your pictures again and delighting in them.

Maybe you have still the enclosed photo, but it is unlikely that Jonathan has it. If you thought it would please him, I would like you to send it to him with my greetings. It shows clearly, that he was meant for Greatness!

I have a wonderful collection of early Porters. You might say Vintage Porters.

Hope you and Aline are well!

With much love

B.
