Dearest Bu,

How very thrilling that we shall have a book!
How very mystifying and embarrassing, that I
sent you the wrong film! Enclosed is the right one.
Tomorrow I leave for Maine until Sept 9.

(Gen. Del. Southwest Harbor) Bill's phone 2072449214
I take the transparencies with me to work on it here.
Sander Gallery is closed and I cannot get at the collec-
tion of Yffis til I return. He must have duplicates
of the prints, which I can send you if needed. The metal
box with my A-collection looked promisingly easy to
choose from because it started on the sheet inside the lid
with a careful description of roll A and B but deteriora-
ted very fast into: "Roll C, general subjects" and from then
on no more descriptions. How well I understand that you
got tired of those minute descriptions. - I went through
them all and shall order them in Maine. There are (in big
envelopes) some of the ones you have the separations. Some
empty envelopes with titles of planned separations. As I
don't know yet, what kind will be needed I shall send you
the above plus others, all listed. Also my favorites. There
seem to be a lot of lady Saints. Aren't more womanly-
bish than I thought?
I hope your recovery is fast and complete. Keep me posted.
with much love B
