Dearest Eliot,
A day after I talked with you the
batch of invitations arrived. Dated
from Nov. 24th! I hope Janet and
David have not sent anymore. Please,
thank them from me, I'll write them later.
I enclose the "Steady writer" description,
as I think for you as "steady writer"
it could be helpfull? If you think so,
send it back to me and I should be
honored to order one for you. I, simply,
shudder at the thought of all the sig-
natures you have to produce.
I am looking forward to your book.

With good wishes and love

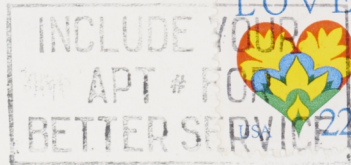

B
Please, give Aline my love.
