Dear Eliot,

Glad to hear that you're home from the hospital and doing well. We hope you'll be able to work on your China material soon; it must be maddening to have all that new material just waiting to be printed.

Our trip to Aspen is set although most of our return flights are wait-listed now. We will arrive in Albuquerque on 3/18/82 on TWA #453 at 2:46. We will pick up a car and drive to Santa Fe. Our flight to Denver / Aspen is on 3/20/82 at 1:15.

We have a couple of questions for you. One, how do we get to your house once we are in Santa Fe? Two, would you recommend a hotel nearby?

We are so excited about seeing you two! We also hope to touch base with Shaun McDuff while we are there too.

There is no great rush on your reply, so drop a note whenever it is convenient for you.

MERRY MISCHIEF-MAKERS

See you soon!
