

Tuesday Morning
10/3/61

Dear Stu,

Thanks for writing - I am sorry I missed you when I was home. I'll see you Xmas, I guess, because I'm not coming home for Thanksgiving - I have a lot of things to take care of here.

The work up here is really a pile of shit! I have to study all the time to keep from flunking (actually, I don't, but then - I'm flunking) The weekends are the only thing to look forward to up here, but everything costs so much & I don't have a car, so they aren't really too cool.

I don't have any news from up here except that I've pledged KE. Write & tell me about N.O. and all the wild times I'm sure you are having. Also I want to hear about Mexico; that bullfight sounds cool - was it very bloody?

My address remains the same: NEW DORM

BOX 31

GOLDEN, COLO.

Or: KE House

1622 Illinois St.

GOLDEN, COLO.

I'll probably get it quicker if you send it to the dorm. Sorry to cut this so short, but anything else I could say would just be bullshit - so

adios,

Bill
