

Dear Stuart,

Thank you for the six packs
of beer and the drinking glass.
I really don't know how to re-
pay you and you shouldn't have
done it (but if you hadn't ~~it~~
would have been your ass.) I
apologize for getting so upset

noh

yuvhd

when I found my beer gone and
you sitting there with a shit
faced grin. but if I ever catch
you stealing another of my beers
you'll wish you hadn't even started
to drink. Thanks you again for
the beer and glass. I'll never forget
your generosity. Sincerely

P.S. Don't let it happen again!

Bob.
your friend!
