TULANE UNIVERSITY

Dear Stu,

Sorry I haven't written but I've been busy, to say the least. Things are all right at home. Have some difficulties with the parents, but I figure I'll only be here for 4 months so I'll put up with them.

I have a job with the Evening Star newspaper as asst to the editor of the Classified dept. Good job, not much money but good experience and fine secretaries. 5 floors of them! ^{Going} ~~Going~~ to school at night and am taking Spanish. I hope this will help me to learn that dam language.

I got a car yesterday after much struggling. It's not a Corvette! Dad thought that for these 4 months all I need is good transportation and that's all. So I bought a 62' Corvair Monza 900, bucket seats, Nassau blue and custom blue interior, 4 speed on the floor, and the biggest Corvair engine they make. This little thing really moves. Want to tell you see it.

How is T.C.U.? Please write and tell me how
you doing. Do you have a car and how about
the women? Have it heard much from Lynda!
that bitch! Well, that's girls for you, I guess
but I think some of the secretaries will help
me recover from Lynda's grasp. There is one
there, 19 yrs. old, 5'4", brunette and roughly
38-24-36, a real stacked piece of meat.
and is she ever friendly. I have a date with
her tomorrow mite. Should be interesting.
Only thing I heard was that she is looking
for the wedding ring. Will tell you more
after date.

It looks as if I'll be going to Tulsa for
summer school at least. Don't know about
next semester. I'll be saving the
room for you O.K.!

well, have to go now and take my Virginia
driving test. Watch me fail it.

Write if you get a chance.

Bob.
