Something

Reply no. 1 Sorry I didn't get a chance to write but here's something. The best thing that has happened here is that we got initiated ^(in the group).

So Ross has a new car. Well probably screw it up to like the old Ford. Do hope he gets to T.C.U. You should come here to its great kicks. Three other L.A.E.'s and myself bought an old 49 Packard for \$44 (its cool). Were making a mobile bar out of it. Don't know how we're going to get a licker? (whiskey) license for it. We cut the top off behind the driver along ^{about} with the rest of the car and installed a bar with beer taps and everything.

Jim Shaffer and I are going mountain lion hunting estate vacation in Arizona. A few of the things from Africa are in Houston now, can't wait.

Tell me about some of your recording
tapes, Are you going to T.C.U. next
year? DO

^{9K new} Jay Manning flipped Don Kirles
Volts Wagon and skinned T. C.
Brittians elbow.

Barbara had a spine fusion this
morning and will be in the hospital
a few months.

Our new boat deck has been
made (hurry) but I think that's
all. Been skiing a little with
rubber suits.

When do you get home ~~from~~
for spring vacation. We only have
31 more school days until school
is out for good. Trailin Economics

I see you got you type writer
with writing instead of printing

This is a cruddy letter but
I can't think of anything else
to put down.

Love

Jeff
