Dear Dr. Gentling:

Thank you for sending us your Diner's Club card, with which we were able to make the arrangements you requested for yours two sons' charges.

Will you kindly sign the attached Diner's Club record and return it to me in the attached envelope, in order that we may bill the Diner's Club.

Thank you for your patronage.

Very truly yours ,

Dear Stuart:

Enclosed is notice from
St. Regis Hotel confirming your
reservations and allowing you to
sign for your services at the hotel -
this includes any meals you may
have there etc. I hope this will
be more than enough money to take
care of your other expenses. Should
you stay overnight in Philadelphia
you might try to stay at the Bellvue-
Stratford. You will have to save
enough money to pay there as no
arrangements have been made for
credit privileges.

Have a real good time &
take care of yourselves. Sorry not
to have seen you this week end
but will see you soon.

Love

Dad.
