Dear Stuart,

Well how are  
you and you were home  
for 10 days well that  
was wonderful.

How you made up your  
mind what you are  
going to take? I think its hard  
the 1st year of college to  
know just what to take  
Allen Green is at St. Johns &  
he was going to take Law but  
he has changed his mind. I know  
it is hard to do, but I still  
think Journalism is good or maybe  
just Business & then you can go  
in to Insurance <sup>or business</sup> or anything. Well  
think if you <sup>to</sup> write with a  
note - I love you Grandma &  
Be a good boy

Hi there, Grandson -  
here's a wish

That's specially meant  
for you

Hope you have

a lot of fun

Each hour the whole day  
through

Happy Valentine's Day

I hope you can Peter got Allen Green. He's new & just
