Dearest Scott -

Received your good letter this a.m. and as usual read it several times. Am so glad you got to New York. By the way Peg Lynch's married name is Mrs. Odd Panning and it is in the New York directory. Aunt Edith's name is Mrs. W. James Margins and her address is 4 Woodhill Road, Maplewood

New Jersey.

Caro's ribs are much better and she is able to drive now. Marilyn and Jim are going to have another baby in April. Kitty has gone back to school to get her degree in interior decorating. It keeps her very

busy taking care of three kids
and keeping house

Had a long letter from Stella
today. She is making the payment
on her house now as Stuart
is broke.

Russ is as bad as ever and
Tuesday night she threw Lew
out of the house and he spent
the night with Suzie and
me. I don't know where it
is going to end. Poor little
mess.

Ross has gone to Houston
to look for a job. That is
a mess too. I asked to Peter
who is as usual a busy bee.
He is teaching anatomy to the
N.W. Dental students - and

studying Spanish two nights
a week. He had a grand trip
to the west coast and was
crazy about Portland Oregon.
I don't believe he has definitely
made up his mind where

he will intern.

Had lunch yesterday with
Kay and as usual had a
million laughs.

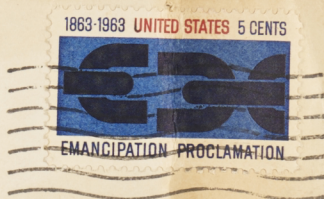

Suzie is fine now so don't
worry about her.

Dad comes in tonight for
the Texas-Ou game and the
Baylor Arkansas game. It has
been three weeks since he was home.
Well darling, no news -

Love you, Ma
