Dear Stuart,

I sent you a wire and also spoke with your mother about the Steeplechase ball, but I am still not sure that you had gotten the message.

It is on Friday, November eighth, and I would be honored if you would come to Ft. Worth and "escort" me.

I hope you are
enjoying school and
are finding your
courses, shall I say,
stimulating.

So let me know
your plans.

Love ya,
Debbie
