

M'Ville - May 4th

My dear, dear Scott,

Honey, I have
checked on the paper
for you and this
is it:

J. Green

3101R	HP/ CP	24 sheets (about 22" x 34")	\$ 20.00
(some of both)			

Whatman			
130-1		50 sheets (22 x 24)	9.20

Imperial	CP	24 sheets 22 x 24	12.40
(9 thick)			

Let me know if you
want me to get it for
(over)

you. I have taped-up
your other and put it
where it won't get bent
nor damp.

I missed you and
Jimmy something awful!
I was let-down and sad!
and more so, on account
of Jack had been and
gone and I hardly saw
him!

The lake house
will be full o' folks
Sunday — Mother's Day.
My Mother and all (I
hope) of my brothers &
sisters will be here.
You should be here,

for there will be
much good food!

I ~~saw~~ went to
Macon with Emily F.
this week and she
said how ^{profoundly} impressed
she and Dr. Phillips
were with you and
your work!

Did you go to
New Orleans? Give
Stewart our love and
keep a bushel for
yourself

~~Mary~~
