

Sunday -

Hello Darling -

Love'd your letter of this a.m.. Was afraid that your nose trouble would get you mixed up in the hurricane mess and sure enough it did. It really did sound exciting but am very relieved that you are O.K. and it is over.

Just wrote to Peter and Scott but have different things to tell you.

I got Grandma home O.K. It was a good trip. I flew from Dallas to Chicago leaving here at 8:40. - got to Chicago, Northwest Airlines out of Chicago arriving Rochester at 2:25 p.m. Grandma was tired which is to be expected but it could not have been a better trip. Had a good time at home. Aunt Gertrude and Aunt Bess cut in as ever - much conversation, coffee consumed etc. We had dinner with Stella, George, Margaret Burnett & Mother Madden - nostalgic, very pleasant. I sat up till 4 a.m. with Be Verance & Mary & Dick Joway - much fun, laughing, boozing etc.

Now do not get faint from shock but I worked two and a half hours in the patio raking leaves etc. Of course I didn't have any boxes so I suppose leaves will all be right back.

Sunday p.m.

Got sleepy so didn't get this finished. Van Zandt Smith has been ill and have been over to see him several times. Neither Dr. Church or Dr. Rehfeltt can find anything wrong with him. I talked to Aubrey Cockrill (Little Rock) Sawyer and he had had one telephone

conversation with Dad but was planning to see him this week. Dad called three times while I was gone demanding that Suzie come to Little Rock. Then he delayed sending my check and called again the other night stating that he was not going to send us any more money until Suzie came up there. The check arrived the next morning so it had to have been in the mail when he was ranting and raving on the telephone. What a guy. Did you receive your money - it is imperative that you keep me informed.

Mother Gentling and Aunt Mollie are visiting Dad in Little Rock. I don't know why but it surprised me. You asked for Grandma's address - 114-11th Ave. S.W. Rochester Minnesota, I knew she would love to hear from you -

Suzie will have all four wisdom teeth out next Friday. So guess that will pretty much lay her up for a while. Bless her heart -

Well, dearest - no news - except I love you and that is never news.

Bye for now, my darling
Mama
