Department of Membership

Dear Student Member:

I would like to thank you for enrolling in The Museum of Modern Art's Student Group Membership Plan for 1964-1965, and take pleasure in enclosing your membership card.

As you know, your Student Membership entitles you to four free Museum publications and you may purchase others at the 25% members' discount. A selected number of these are offered only to Student Members at a 50% discount (see the enclosed list). You may also subscribe to "Art News", "Art In America" and "Arts" magazines at reduced rates. Our new fall book list, as well as applications for these magazines, are available -- please inquire by letter or through the Membership Desk in the Lobby.

Among the free publications scheduled for Student Members this year are: "Bonnard and His Environment" by James Elliott, James Thrall Soby and Monroe Wheeler; "The Responsive Eye" by William C. Seitz; and "Giacometti" by David Sylvester. You will also receive various bulletins and the Members' Calendar which will keep you informed of our activities.

With many thanks for your interest,

Sincerely,

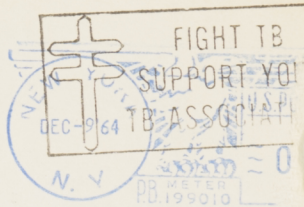

Emily C. Stone
