

Thursday

Darling -

I hate to do this to you but
I'm going to come straight to the
point. I am in bad financial straits
and I'm going to ask you to pay the
Bill McDavid Bill as Cecil Ray told me
that the man who hit you is suing and
that the case ^{may not} come up for several years.
Just write them a check and we will
get that off our minds. Don't worry
about school because all that will be
taken care of.

! Still love N.D. We will be
married June 12th + leave for mpls
and the wedding. Will be gone a week.
We will move from here July 1st.

~~no news~~ - Suzie has been ~~gone~~ ^{sick}
all week with the flu but better.
What do you hear from Scott -

Love you + sorry to do this
but we have to pay these things -
