Dearest Stu -

Our checks came yesterday and will enclose yours. Also a birthday check from Grandma J. Aunt Gerb sent a check made out to both you and Scott for 44⁰⁰ but she made it out to Scott + Stuart Harrington which of course I will send back to her and will send to you as soon as she returns it. Another thing do not worry about finishing this year as Aunt Gerb called to say that if Dad does not complete this year that she will - so you can relax a little bit.

Scott completed Charlie Gere's
portrait and almost finished
a beautiful landscape. 14E
has not made a decision about
his return if or when to school.

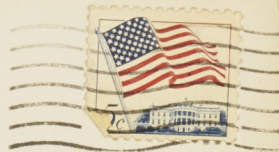

Dad is in St. Mary's hospital
but do not know anything
else.

John Paxton brought
Ted Weiner over yesterday
to see Scott's work and
Ted invited us out to see
his gardens, sculptures and
paintings. Fabulous.

I love you -
