

~~Nancy Wilson~~

Tues.

Darling -

Received your darling
Valentine and letter and
really was pleased. I had
a fabulous Valentines' Day.
On Saturday M.D. sent me
red carnations and a perfect
white orchid to wear to
the Dance of the Fort Worth
Surgical Society at Rivercrest.
Then on Sunday he gave me
a gorgeous ruby + gold pin
and took me to Carrey's House
for dinner. He is so very, very
wonderful to me.

I tried to call you
last week. Dad called me
and said he had received

money from Susan that
your father had already
been paid. of course I could
not tell him about your
check from Aunt Bert. Now
your letter of yesterday really
does confuse me as you gave
me the impression that he
had paid it. Why would
he get a refund? I think
about it and darling, please
write Aunt Bert - she
called yesterday and said
she had not heard from
you. That ain't like you.
Suzie is sick in bed
with a terrible cold. Sh
is very wet and cold.

I told your father that
I was going to be married
but not to whom so he
not tell him because I do
not want N.D. to have
to go thru any insulting
experiences. Dig one?
Have not seen any of
your friends so have no
news from them.

Well darling your 22
hour schedule must be
rough - Carry on!

I love you - darlene
