

Dear Stuart,

I was glad to get
your letter today & I
know you must be very
busy - Your mother told
me (I talked to her yesterday)
that your father sent
you money for school
& it had been returned
because it was paid - I
don't want him to know
it came from me or
any of the family. You
just borrowed it because
you start paying it back
in 1999. I hope you are
still interested in Can. We
will have Peter here in
a few months. He is a

wonderful person & will be a
good Dr. He loves it.
I'm glad you mother
is getting married. He is a
nice person - & it won't be
long until you will all
be out on your own. I
think your father is being
operated today & this will
finish it. This one isn't a
big one. He has gone
thru a lot. Let me
hear from you once in a
while. All our love
Aunt Gertrude

Our weather is horrible
cold - rain - fog & Saturday
over a foot of snow.

Mr. Stuart Gentling
