Dear Stu,

Since I last wrote you a lot has happened to me. I have made some very important decisions.

Illinois called me and told me I was accepted because of cancellations. After much thought and a lot of sorrow, I have decided to go to the University of Ill.

In the first place I will be able to live about \$500 cheaper. In the second place it's closer to home and I want to practice in Ill. after I get out.

I am so grateful to you for your kind and thoughtful letter. I guess

I would have been out
to lunch if I would have
gone to Heras and you
wouldn't have been there.

I didn't know it was so
hard to get a place.

Thank you for offering me
a place to stay with

you. It really makes
you feel good to have

a true friend - this is
one thing I know I will
miss it all. We all
had many good & hard times
at Tulane - but all in all
they all added up to an
unforgettable memory.

I hope that we will
stay in contact. You can
always write my house

and I can get the letter shortly. Maybe we could get together during spring break.

My cousin graduate from Illinois about 3 yrs. ago. He says that the first semester is unbelievably hard. He studied 15 hrs a day believe it or not. Maybe neither of us will make it but lets give it a hell of a try for once and then if we fail we will know we weren't cut out to be lawyers -

As Always,
Bob

P.S. I would really enjoy keeping in contact with you.
