Dear Mrs. Gatling:

My daughter, Mary Bolling, saw your work at the Thomas Galleries in Houston as I told you in our telephone conversation yesterday. She was very much impressed with the paintings there and we would like to represent you in Austin.

We have a very exclusive clientele from all of Texas and are opening a new gallery in about ten days. We would like to have your work exclusively in Austin.

Our terms are 1/3 to the artist on the painting. The artist furnishes the frame billed separately. If the customer does not want the frame, it is returned to the artist.

Since the Thomas Galleries are closing, is it possible for you to send us some of your things from there? From Mary's description of your work, I feel that we can do well with your paintings. I refer you to the Austin National Bank for credit reference.

May I have a reply at your earliest convenience? Thank you.

Sincerely,

DEUX AMIS

P.S. Since the Thomas Galleries are closing, can you let us have a selection from them until you can provide us with some of your new things?
