Dear Stuart and Scott -

I ran in to John Inelson in Austin last Saturday & learned you were in and about Aledo. Then, I got back and found an "invite" to Scott's show this Sunday. Thanks for remembering me! Unfortunately, I'll be out of town from Friday for two weeks on vacation; however, I'll be anxious to go out before the end of April to see the show.

Please get in touch with me later on in April so we can have a good visit. My new address is 6002 Sandhurst Lane
