Mr. Scott Gentling
Route 1, Box 104 J
Aledo, Texas

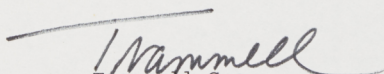

Dear Scott:

Enclosed is a brochure, which I got in the mail today,
of an artist named Robert Clark, and I thought it would
be interesting to you.

It is pretty reminiscent of your work, isn't it.

Is tempera what you work in, or do you work in water
colors solely?

Very truly yours,

Trammell Crow

P.S. Come by my office and let me show you your pictures
hanging.
