Dear Scott and Stuart,

It is very difficult for me to express the gratitude that all of the members of Mayfest Committee have for you for your wonderful support and assistance for our Mayfest '74. The Fort Worth Park and Recreation Department, The Fort Worth Streams and Valleys Committee, The Tarrant County Water Control District #1, and the Junior League of Fort Worth join me in commending you for your important part in our festival. Without civic minded individuals, such as yourself, Mayfest could never be. Thank you! Thank you!

It is heartwarming to see the citizens of Fort Worth working together for a single cause. There was an atmosphere of community cooperation and common purpose among the participants which was reflected in the happy spirits of all who attended. It is indeed wonderful to live in a city such as Fort Worth where individuals like you care.

Everywhere I go Mayfest receives compliments. These should all go to you, however. One very touching letter said "Beautifying the Trinity is a wonderful and worthwhile project but to me the important result was the unifying of the people of our city and the instilling in them a sense of pride in our heritage and willingness to go forward in building Fort Worth into a beautiful city for future generations." The Mayfest people showed a gallant spirit. How proud I am to have had this year together with you. There is no rain that would ever dampen the joy that Mayfest '74 has been.

Very sincerely,

Suzzy
