February 15, 1976

Dear Scott,

It was so nice seeing you and Stuart again, and I much enjoyed our times together.

I am crazy about my Beethoven lithograph. It is absolutely stunning, and I cannot thank you enough for such a beautiful gift! I am having it framed, and it will have a special place in my home.

I'm sending you a few of my albums as a very small memento of our visit.

Warmest greetings to you and Stuart.

Leonard
