Dear Mr. Gentling:

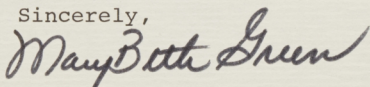

We have reviewed the materials you sent on December 22, and we were very favorably impressed with the work of you and your brother, Scott.

Although Northland Press does publish several books a year outside of its own list, the author or artist is always responsible for the distribution of the book. While we do have an effective exchange in the marketplace, because of organizational changes within Northland at this time, we feel that your project could be better served by another publisher. We hope, however, that we will be hearing from you again in the future to explore other publishing possibilities.

I am returning the material you presented under separate cover and enclosing a copy of our Fall Catalog.

Thank you for your interest in Northland Press  
and for giving us the opportunity to consider  
your proposal

Sincerely,

A handwritten signature in cursive script that reads "Mary Beth Green". The signature is written in dark ink and is positioned below the word "Sincerely,".
