Dear Mr. Gentling:

Thank you for your letter. I appreciate your taking the trouble to write to me. Your views are important and I am obliged to consider them when I formulate with Bill Jordan, our new Deputy Director, future installation and acquisition policies. Certainly we intend to address the lighting and installation issues you raise and we will do so at the earliest possible time.

It would be a pleasure to meet you and I hope that the next time you are at the museum you will let me know.

As you are aware from my statements to the press, I share your strong commitment to the vitality and quality of the arts in Fort Worth.

Yours sincerely,

Edmund P. Pillsbury
Director
