

William & Barbara Holman 4509 Balcones Drive Austin, Texas 78731

February 5, 1987 (Thursday)

Dear Stuart:

For some reason the copy for the announcement and the galley copy has yet to arrive--over two weeks late.

Check underneath your car seat or.... it must have got lost.

I have phoned twice but no answer. Where are you-- off in the back country searching for more birds?

Sincerely,

Bill Holman
