Dear Stuart:

As per our conversation a few weeks ago, I want to confirm the date of the lecture we discussed. The date will be Saturday, April 11, 1987. As our plans progress, I will forward the specific times involved. I have enclosed a form for you to complete dealing with any equipment or other needs you both may have for April 11. If you could, please return this to me as soon as you can.

It was so good talking with you and I want you to know how much we appreciate you and Scott consenting to participate in our lecture with Dr. Pulich. We are very excited about the "return engagement" of the paintings and our programs we have planned to highlight the exhibit. It is our hope that the lecture will generate public interest and enthusiasm, enough to raise more funds for the paintings.

Please call me if you have any questions about the lecture. As I previously stated, I shall send further details as they materialize.

I look forward to seeing you soon.

Sincerely,

Miki Gabbard
Education Coordinator

FORT WORTH MUSEUM OF SCIENCE AND HISTORY
