Mr. Stuart Gentling
4801 Harley Avenue
Fort Worth, Texas 76107

Dear Mr. Gentling:

Doubtlessly you have now heard from your high school alma mater that you have been nominated and selected by the Fort Worth Independent School District to receive one of the eleven 1987 Distinguished Graduate Awards.

Sincere congratulations are extended to you from all of us. Fort Worth is proud of you and of the honor you bring to our school system.

Plaques will be presented to distinguished honorees on Tuesday, May 12, 1987, at the Wilkerson-Greines Activity Center, 5201 Folwell, at the Ann Brannon Awards Program. This event, an annual occasion attended by about 4,000 people, honors current students throughout the school system for having achieved significant success during this school year. Notable accomplishments, such as yours, will serve to inspire our young people.

On May 12, each recipient (or the person designated to receive the plaque for an honoree) is asked to be present at 6:30 p.m. in the Wilkerson-Greines Conference Room. This is on the street level north of the platform area. Upon your arrival, the seating arrangements and other general information will be provided to you. Then, at a climax point in the evening, a presentation will be made to you by the officers of the Board of Education. Remarks in response should be very brief.

For your reference, no meal functions are involved, and the suggested attire is standard street dress. Any guests with you should identify themselves to ushers upon entering the building for special seating. If you need further information or have questions, contact Bonita Sparrow's office (AC817-878-3713).

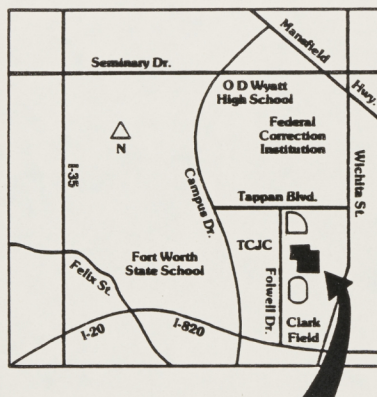

Since the evening will be incomplete without your distinguished presence, we do hope you are able to attend.

Sincerely yours,

Mollie Lasater
President

cc: Current High School Principal

Wilkerson-Greines Activity Center

There will be a reserved parking area in the northeast lot of the Wilkerson-Greines complex. The area will be roped off and officers will be there to direct special guests. The easiest access to this area is off of Wichita Street.
