## A Celebration of Nature

Rufous-sided-towhee, Scott and Stuart Gentling. *Of Birds and Texas*

### Raffle Prizes:

- *Of Birds and Texas*, the result of an eight-year collaboration between painters and twin brothers Scott and Stuart Gentling and author John Graves, is a magnificent folio with over fifty color plates. The first portfolio contains plates of the Texas landscape, with commentary. The second portfolio contains plates of Texas birds with commentary. In addition, an Audubon print created in 1824, and thought lost for many years, is reproduced for the first time in its original form. The inclusion of this Audubon print, which was discovered and authenticated by the Gentlings, is an appropriate connection between *Of Birds and Texas* and its nineteenth century counterpoint, Audubon's *Birds of America*. *Of Birds and Texas*, a great imperial folio limited edition with original remarque by the artists, valued at \$5,000.00, has been donated by the artists.
- *Untitled*, photograph by B.L. Striewski, 1987. B.L. Striewski is an artist and commercial photographer currently residing in Houston. Her artwork has been exhibited at the Houston Center for Photography, Ouisie's Restaurant, East Texas State University and Central Washington University. In 1987 she was the recipient of a Mid-America NEA Grant.
- Boat Tour of Armand Bayou aboard the 'Hana G'. Gourmet picnic for 25.
- Eight day trip for two to Belize with ABNC guide.

Raffle tickets are \$5.00 each or 6 for \$25.00
