Dear Stuart and Scott,

Paul Harris sent the information about the Zoo exhibition to me so I'm forwarding it to you. As I told Scott, they are not asking for a donation from the artist... just basically from the dealer. We told Paul we would give up our complete commission since the Zoo desperately needs the funds. Who doesn't?!

Would love to use one of the images from your book or perhaps several. Please call me and we can decide which one to use. I feel like it will be terrific publicity as the Zoo membership alone is an active and responsive group.

Best to you both,

Cheryl

P.S. Please excuse the lack of a typewriter!
