Stuart Gentling
902 Boland Street
Fort Worth, Texas 76107

Dear Mr. Gentling:

As Program Co-chair for the AMI's National Meeting for 1989 I would like to invite you to speak about your illustration and publishing work. Our Annual Meeting will be held at the Fairmont Hotel in Dallas, Texas August 12th through 16th 1989. Perri Sparks of the University of Texas Health Science Center at Dallas has described your and your brother's work to me and it sounds absolutely fascinating. We are particularly interested to hear your thoughts on the process of marketing illustration and fine-arts work, and the unique entrepreneurial aspects of your publishing work.

The Association of Medical Illustrators is composed of artists working in medical research institutions, and illustrators working independently for both commercial and science clients. Our annual meetings generally attract about 500 members, so we can guarantee you a large and well-informed audience of professional illustrators.

Please let me know as soon as you can whether you will be able to speak to us at our Dallas meeting. Enclose a brief abstract of your talk, what format and time slot you prefer, any AV support materials you will need, and other other requirements you have. My Co-chair (David Bolinsky) and I will be making our final "round-up" of confirmed speakers in early December, to allow the Central Office as much time as possible to accommodate our program. Please call me if you have any questions, or need further information from me.

Sincerely,

Patrick J. Lynch
Director

Program Committee Co-chair
Association of Medical Illustrators Annual Meeting
Dallas Texas, August 12th - 16th, 1988
