Gentlemen:

I am seeking information about a picture called "The Wren." It depicts a boat with a wren at the end of the boat.

It is my understanding that the original is or was owned by Bill Davis and was in storage. If he is interested in selling it, would you be in a position to get that information as well as a price.

If he doesn't want to sell it, or I could not meet his price, could a print be made?

Please call me at 923-5789 and let's talk. I have tried many times to call the gallery at 332-7059 but get no answer.

Sincerely,
Geraldine Frank
