Dear Ken,

As a result of my discussions with you and Mrs. Bush in Washington our project for the White House Salarium is as follows:

Send and I will ^{create} paint two watercolor paintings of Texas birds, namely of Crested Caracaras and ^{Black Crowned} Night Herons against backgrounds from the Prairie Chapel Ranch.

Each painting will measure (approx) 36 inches by 42 inches. The longer dimension will be the height of these paintings.

When completed these paintings will be placed on long term loan to the White House for as long as Mrs. Bush wishes to hang them.

Work is to commence as soon as possible. Additional photos of Prairie Chapel Backgrounds will be needed. Delivery date should be by Mid Summer at the latest.
