Dear Sirs,

I would like to place an order with you for 2 Chimpanzee skulls.

Since I am ordering from an old catalog and do not know your present prices I have included an extra amount in the hopes of covering any additional cost. Time is of the essence to me since (in case you might be interested) I am painting a portrait of the naturalist Jane Goodall who recently posed for me when she was on a visit here. Your Chimpanzee skulls will be used as part of a still-life background in the portrait.

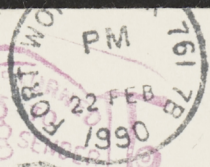

2 Chimpanzee skulls - 11.00	\$110.00
Shipping	12.00
Total	\$122.00

Sincerely,
Scott Gentling

P.S. Please notify me quickly if the amount is not sufficient.
