Dear Scott,

That was absolutely perfect timing as to our meeting you Wednesday at the Kimbell! And we all, especially we Sayres, did thoroughly enjoy and appreciate being with you again. The time at the Kimbell was incomparable, with you as commentator - so knowledgeable and capable of describing the varied techniques and making us all see far beyond our previous "seeing" of the paintings.

Thanks, Scott and hope to see you again soon. Come see us at the Ranch, play tennis on our gorgeous court, and view your prints on the walls of Smuggler, our cabin.

Sincerely,

Bonney and Bob Sayre
