

CARRINGTON / GALLAGHER

February 20, 1992

Dear Artist, *Stuart*

Thank you for agreeing to donate one of your artworks to "Saving the Best of Texas", a gala celebration to be hosted by the Texas Nature Conservancy on May 1, 1992 at the San Antonio Botanical Center.

First, we want to let you know that you and a friend will be guests of the Texas Nature Conservancy that evening, in thanks for your support. The gala promises to be a fun and entertaining evening, and we will be surrounded by the lovely gardens designed by Emilio Ambasz.

Second, we would appreciate your completing the enclosed form, including the title, description, medium, price, and any other pertinent information about the piece you are donating. This will enable us to fully inform our gala guests about your work and will help us set a minimum bid, in order to guarantee a maximum purchase price.

If your work is not already framed, we will be happy to do so. We will be framing all work donated to the event here in San Antonio at the expense of the Texas Nature Conservancy. Shipping will also be covered by the Texas Nature Conservancy. Carrington/Gallagher will be handling the installation, lighting and silent auction details for the benefit.

We care deeply about each of our artists and promise to do our best to assure that the silent auction goes well. We feel we have a strong group of 12 to 15 Texas artists selected for this silent auction, and are looking forward to introducing your works to an audience of 350 to 500 patrons.

Again, we thank you for donating one of your works to this worthy cause, and we encourage you to return the enclosed form as soon as possible, so that we can include this information in the press releases that will be created to promote the benefit.

Please call if you have any questions.

Fondly,

Alice
