Dear Stuart —

Just a note to tell you how much we both enjoyed meeting you. And we are having our Setling framed w/mat! Les said "It almost makes me feel guilty in not really liking Magpies!!" (They mess up our feeders + Les's woodpile). Anyway we love it and do thank you.

Will send snapshot (2?) when those are developed.

John Paul called again + we hope to see him before he goes — this World Cup "thing" is dominating our lives at this moment!

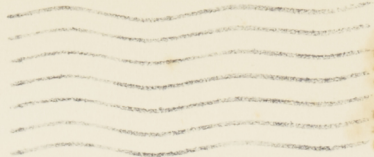

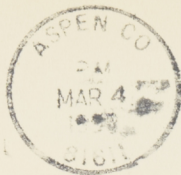

Remember to call before you next come — if we are without guests you have a room!!

Talked To Ann — she's such an attractive, young, woman — she said she'd send us an autographed copy IF + when she MAKES the NTL Enquirer!! or Star!!

Best to you

Jerry (+ Les)
