

color of the Blue flame but flame still.

Sept 2, 1993

Wendy Anderson -

He has not quite the color of the yellow fire, but fire still.
Beginning and Ending, ending, and beginning.
Anniversary day

It was the tenth day that we met,
of the month of the Roman two-faced God,
The coldest month of the year

And it was north in my soul when ^{the door was} I opened
~~apart to her.~~

And it was north in my soul when I opened my
door to you
