Dear Messrs. Gentling:

On behalf of Dr. Edmund P. Pillsbury, I would like to express our delight that you have agreed to participate in the Artist's Eye program at the Kimbell Art Museum. We have scheduled your talk for January 20 and would be grateful if you would speak informally about your work in the context of the Kimbell collection, and in particular the wonderful loan exhibition *Art and Empire: Treasures from Assyria in the British Museum*.

As Linda Powell explained, we are prepared to offer a speaker's fee of \$500. We hope that you will join us for lunch at the Museum at 12:30. The program will begin at 1:30 and will last until 2:30 or 3:00. After the Assyrian exhibition opens on October 1, we would like to invite you to look at the works with us at the Museum. Also, we will make available for your talk slides of works from the Assyrian exhibition which you would like to use in conjunction with slides of your own work or works from the Kimbell's own collection. Should you wish to bring with you a small work of art to display in the auditorium on the day of your talk or some photographs, these might serve to introduce you and your works. You should also feel

Sincerely yours,
