

Dear Scott,

Thank you for joining
us in It Worth, for telling
every funny story Whitney
asked for and for the
fabulous tour of your studio.
You and Stuart have
made such a wonderful
contribution to our great state

With the beautiful Birds of
Texas and now the fabulous
decoration of the Bass
Performance Hall. It was
truly an honor to meet you
and Stuart. I'll call you
about adding the Birds of
Texas to the Governor's Mansion
Library. Thanks very much.
