Dear Stuart.

As he did not do all the work
on the estimate we owe you
money. Enclosed is our check for
\$340.

Thanks -

Jane

He made your temporary upper
denture and you had an appt
to seat it on Aug 31, '99. It is
still here - however, O'Dell cannot
see well enough ^{now} to seat it. ~~It is~~
It is available for some one to do
it. I hope the arrangements for
some one to take over will be
made very soon.
